

Answers for Invasive v Native Game

This game can be adapted to suit the age and ability of the group. Younger children can move the pictures to the correct name; older children can also decide which the correct names for the species are.

There are 4 species game pieces in the pack. Use 1 of each species for Invasive v Native and all pieces for the What's in the Pond game.

Can you tell us which of these species are native & which are invasive?

Move the pictures to the correct list

NATIVE		INVASIVE	
Water Starwort <i>(Callitriche stagnalis)</i>			Australian Swamp Stonecrop <i>(Crassula helmsii)</i>
Painter Mussel <i>(Unio pictorum)</i>			Zebra Mussel <i>(Dreissena polymorpha)</i>
Polecat <i>(Mustela putorius)</i>			American Mink <i>(Neovison vison)</i>
Rigid Hornwort <i>(Ceratophyllum demersum)</i>			Canadian Waterweed <i>(Elodea canadensis)</i>
Yellow Iris <i>(Iris pseudacorus)</i>			Himalayan Balsam <i>(Impatiens glandulifera)</i>
Palmate Newt <i>(Lissotriton helveticus)</i>			Alpine Newt <i>(Ichthyosaura alpestris)</i>
